

U.S. Serial No. 09/494,374

106. The solution of claim 102, wherein said monohydric alcohol is an aliphatic ethanol, said dihydric alcohol is a glycol or a derivative thereof, and said trihydric alcohol is glycerol or a derivative thereof.

107. The solution of claim 102, wherein said solution is in sprayable or mistable form.

REMARKS

Applicants respectfully request that the foregoing amendments be made prior to examination of the present application. After amending the claims as set forth above, claims 52-107 are now pending in this application. The Examiner is authorized to charge applicant's deposit account, Account No. 19-0741, for any excess claims.

Applicant believes that the present application is now in condition for allowance. Favorable consideration of the application as amended is respectfully requested. The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
